Pre-Construction Survey Form
W. 70th Street (TH 100 to France Avenue) Reconstruction Project
City of Edina Contract No. ENG 10-3

The purpose of the Pre-Construction Survey is to establish a baseline record relevant to the pre-existing conditions of your home prior to the commencement of scheduled construction activities. The survey is a precautionary measure and is used to document damage that may have occurred due to construction related activities versus damage that may have previously existed. The survey is completely voluntary and is being provided at no cost to you.

Please indicate below if you wish to participate or not in the survey and return the form in the attached stamped envelope to WSB & Associates by November 30, 2010.

Participating:
By signing this document, I am acknowledging that I have been offered a Pre-Construction Survey for the above-mentioned project (at no cost to myself) and that I have decided to participate in the survey.
