CITY OF EDINA
CHARITABLE GAMBLING REGISTRATION

Organizations receiving a Charitable Gambling License or Exemption from the State of Minnesota, must have their application signed by the City. Before signing your state application, Edina does a background check of your organization's chief executive officer and treasurer. Each person's full name and date of birth are needed, to complete the background check. There is a $15.00 fee for completing this check. Please have the two officers read this form, complete their portions, and each sign on the appropriate blank below.

This information can be used by the Edina Police Department, Bureau of Criminal Apprehension, Hennepin County Warrant Office, Ramsey County Warrant Office, State of Minnesota Department of Revenue, and other governmental agencies necessary to process your application.
