Birchcrest B Neighborhood Roadway Improvements

Dear Resident:

Project Schedule

The final layer of asphalt is in, the new signs are installed and the new turf is establishing beautifully.

Next week, a subcontractor will be on-site to add the saw and seal joints throughout the project area.

Crews will also continue to work on minor restoration issues that still require attention.

Remember, on-street parking is still prohibited during working hours. Crews need to access the areas that were seeded to water and perform other maintenance.

All schedules are weather-dependent and are subject to change.

Communications
