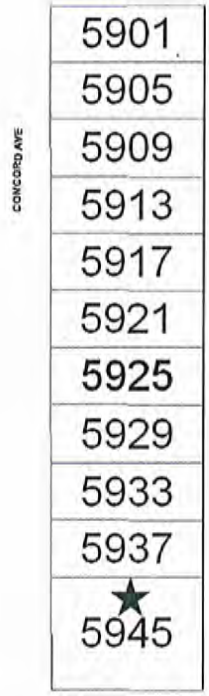
Definition of neighborhood used for approved Brookview subdivision



5945 Concord Avenue:

Legal Description: Lots 13 & 14, Block 9, Fairfax Addition

Neighbor Survey

I did it to determine support or lack thereof

- Previous subdivisions had run into trouble because of this
- If neighbors were against it, I wouldn't do it
  - Good neighbors
  - It's expensive

Once the near neighbors (including most importantly, the adjacent neighbors) were found to be in total support and after discussions with others in Edina, I started the process

* See letters of support from neighbors, more on the way!

Neighbor Survey

Results:

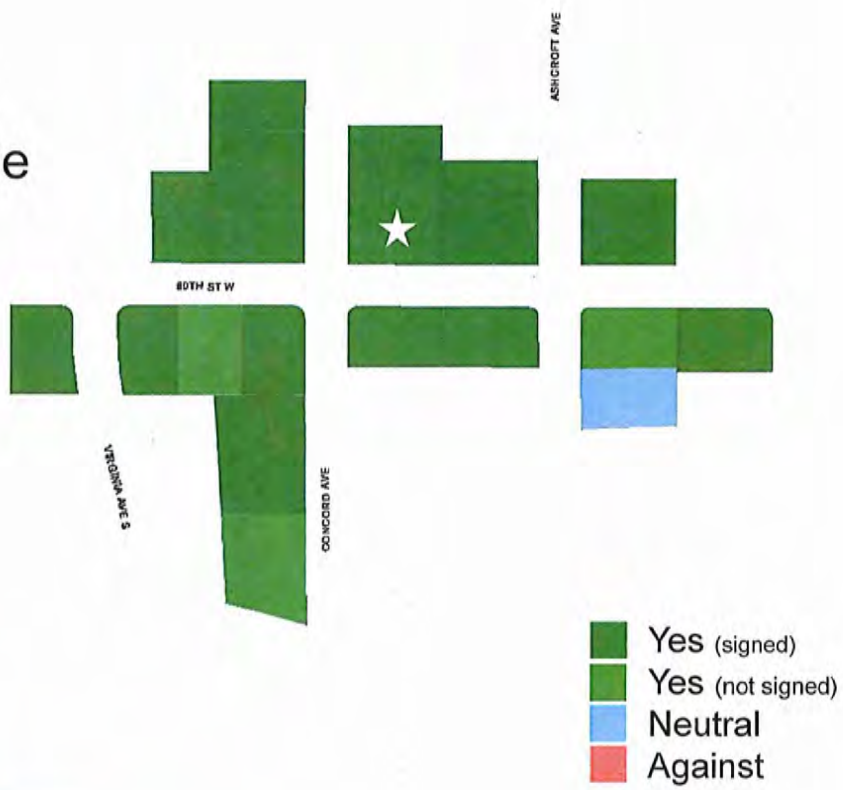
- 71 Yes*
- 8 Neutral or Not Available
- 3 Against

* 58 Signed, 13 unsigned/yet to recontact – copies available

Neighbor Survey

Lots with sightline to 5945 Concord Avenue

- 25 Lots
- 24 Yes
- 1 Neutral



What Does the Neighborhood Want?

Given that redevelopment will take place, the neighborhood wants:

TWO LOTS

- ❑ Overwhelmingly in favor of two homes vs. one
- ❑ Fits better with design and character of neighborhood
  - ❑ Two houses designed for 50' lots is wanted by far
  - ❑ Spacing between two houses fits every other house on the block – fits the existing design
  - ❑ Redevelopment has already taken place (now to 12 yrs)
- ❑ Affordable housing for families with children, next to 3 schools
  - ❑ Families are moving into new homes built on 50' lots

New Development

Solid development for families, a good thing for the neighbors and neighborhood!

What does Edina get?

- ❑ Homes for two families
- ❑ Total value of investment of $1.5MM vs. 1.0MM
- ❑ Homes that better fit the neighborhood
- ❑ Increased home values
- ❑ Benefits for neighbors

A better neighborhood

Fact: Redevelopment is here for 5945 Concord Avenue, the question Is:

Two Homes

-- or --

One McMansion?
