

COMMISSIONING A RESIDENT SURVEY OF COMMUNITY NEEDS

At Monday's meeting, we'll discuss the type of information we hope to collect in a survey of residents in fall 2013. In preparation, consider what types of questions should be asked to make this survey meaningful. Following are a few ideas to get you started.

- 1) Are you familiar with the Grandview Framework planning?
- 2) What facilities do you currently use?
- 3) What is missing in Edina?
- 4) What would you and your family use?
- 5) How much would you pay to build a new facility?
- 6) How much would you pay to use a new facility?
- 7) ????????

COMMISSIONING AN INVENTORY OF COMMUNITY SPACES & GAPS

We'll also discuss the type of gaps we hope to identify with an inventory of community spaces. In 2014, the Park and Recreation Board is anticipated to study outdoor recreation needs (like soccer fields, etc.). The Grandview Inventory will focus more on indoor needs.

In preparation, please think about examples of Community Spaces that we already have in Edina. Also think about types of Community spaces and activity centers that we lack. Following are a few ideas to get you started.
