Subject: 2013 Meeting Schedule

Action Requested:
Approve meeting schedule dates for 2013

Information / Background:

Two dates have been moved from the fourth Tuesday of the month. The Commission agreed in November to move the March meeting to March 19th (the 3rd Tuesday). The December meeting has been moved by the City Clerk because both the 4th and 5th Tuesday of December fall on significant religious holidays.

Joint work session with Council is tentatively scheduled for May 7th.
