Date: March 11, 2015

To: Planning Commission

From: Cary Teague, Community Development Director

Re: Blake Woods Subdivision

As of the day that the Planning Commission packet is put together (Friday March 6, 2015) the applicant has not yet submitted revised grading and drainage plans to satisfy the requirements of the city's engineering staff. Therefore, staff recommends that the Planning Commission continue the Public Hearing on the request to March 25, 2015.
