

REPORT / RECOMMENDATION

To: Edina Transportation Commission

Agenda Item #: VI. B.

From: Byron Theis – Traffic Safety Coordinator

Action

Discussion

Date: April 18, 2013

Information

Subject: Traffic Safety Committee Report of April 3, 2013

Action Requested:

None.

Information / Background:

The April 3 meeting was cancelled because the Traffic Safety Committee (TSC) did not receive any traffic safety matters for review; therefore, only Section D is included in this report. Section D shows traffic safety issues that were resolved over the phone or referred to others for resolution.

Staff is reviewing other traffic safety requests. However, the weather has prevented us from obtaining field data for these requests.

TRAFFIC SAFETY COMMITTEE REPORT

Wednesday, April 3, 2013

The Traffic Safety Committee (TSC) did not meet this month. The traffic safety coordinator did not have any traffic safety matters to review; therefore, only Section D is included in this report.

SECTION D:

Other traffic safety issues handled:

1. Request for increased enforcement at the intersection of Gleason Rd and Schey Dr. Requestor states that vehicles are not stopping for the stop signs at this intersection. Information was forwarded to Edina Police Department (EPD) for enforcement.
2. Request to remove a "No outlet" sign and replace it with a "Dead end" sign in the area of 58th St W and Brookview Ave and add a sign to indicate the entrance to Pamela Park. Requestor states that drivers attempting to get to Pamela Park are turning down Brookview Ave, which is a dead end street and not accessible to the park. Request was forwarded to Public Works Sign Shop for removal and installation.
3. Request for parking restrictions in the parking lot of the YMCA on York Ave. Requestor was informed that the City does not install parking restrictions on private parking lots.
4. Concern from a resident about the intersection of France Avenue and 72nd St W. Resident states that vehicles on 72nd St W attempting to make a left onto northbound France Ave are causing delays to vehicles behind and could cause crashes. Requestor was informed that staff is analyzing modifications to the 72nd St W and France Ave median as part of the Byerly's redevelopment proposal.
5. Request for a "no U-turn" sign at the intersection of France Ave and Parklawn Ave. Requestor was forwarded to Hennepin County.
