

REPORT / RECOMMENDATION

To: Edina Transportation Commission

Agenda Item #: VI. B.

From: Byron Theis – Traffic Safety Coordinator

Action

Date: February 21, 2013

Discussion

Subject: Traffic Safety Committee Report of February 6, 2013

Information

Action Requested:

None.

Information / Background:

The Traffic Safety Committee (TSC) did not receive any traffic safety matters for review; therefore, only Section D is included in this report. Section D shows traffic safety issues that were resolved over the phone or referred to others for resolution.

Traffic Safety Review for February 6, 2013.

TRAFFIC SAFETY COMMITTEE REPORT

Wednesday, February 6, 2013

The Traffic Safety Committee (TSC) did not meet this month. The Committee did not receive any traffic safety matters for review; therefore, only Section D is included in this report.

SECTION D:

Other traffic safety issues handled.

1. Residents with disabled child signs were contacted to see if the signs were still needed. It was determined that all disabled children signs are still needed.
2. Call from a resident concerned with speeds in the area of 60th Street West and Kellogg Avenue. Resident stated that vehicles are going "too fast" for the area. The resident was informed that a speed count would be conducted as soon as the weather permits the placement of traffic counters (in the spring) and the speed data would be sent to Edina Police Department for enforcement.
