Subject: Ordinance No. 2015-03 Amending Chapter 26 of Edina Code of Ordinances
Concerning Bicycle Lanes

Action Requested:

Approve first reading of Ordinance No. 2015-03, amending Chapter 26 of Edina Code of Ordinances Concerning Bicycle Lanes and waive second reading.

Information / Background:

Minnesota State Statutes, Section 160.263 states that the City designates as bicycle lanes those portions of any roadway under its jurisdiction that are separated from the portion of the roadway used for motor vehicle traffic by physical barrier, striping, marking, or other similar device. Section 26-280 of the Edina City Code designates roadways as bicycle lanes (see attached).

In 2014, the City completed a mill-and-overlay of Olinger Boulevard from Vernon Ave to Tracy Ave (a State-Aid roadway). As part of this project, bicycle lanes were added to Olinger Blvd in this area, as approved by Council at its May 20, 2014 meeting. The attached ordinance adds this roadway to the City's list of designated bicycle lanes.
