Information

Subject: Resolution No. 2015-26 Approving No Parking on Valley View Road and Braemar Boulevard

Action Requested:

Adopt Resolution No. 2015-26 approving parking restrictions on Valley View Road from McCauley Trail to Mark Terrace Drive; and on Braemar Boulevard from Valley View Road to Hilary Lane.

Information / Background:

Council authorized staff to prepare plans and specifications and advertise for bids for the reconstruction of Valley View Road at the Oct. 21 City Council meeting. The project limits are McCauley Trail to Mark Terrace, and Braemar Boulevard from Valley View Road to Hilary Lane.

With the improvements, Valley View Road and Braemar Boulevard will not have adequate width for parking and because they are designated as Municipal State Aid (MSA) roadways and we are expending MSA funds for reconstruction, a no parking resolution is required.

As you may recall, staff received authorization to request a variance from MSA to allow the continued operation of the 20 miles per hour horizontal curve at Comanche Court. The MSA Variance Committee met in December and the request was approved.

Staff recommends approval of Resolution No. 2015-26 approving parking restrictions on Valley View Road and Braemar Boulevard.
