**General Information:**

This is for the replacement of Vehicle 70-338 which is a 2003 Vector with sewer jetter and vacuum equipment mounted on a Sterling Chassis. It has 94,578 miles and 5528 engine hours, is heavily used, 12 years old and in need of replacement. We analyze the age, usage, type of service, reliability, condition and repair costs associated with operation of each vehicle in the fleet. This particular vehicle has a vehicle score of 32 and our scoring model recommends replacing heavy duty trucks (gross vehicle weight rating exceeding 10,500 lbs) at a score of 28.
