**Recommended Quote or Bid:**

Jay Johnson Construction \$98,700.00

**General Information:**

This project will perform the demolition, disposal, and restoration of the old public works building and salt shed at 5146 Eden Avenue. The contractor will remove any hazardous material per regulations prior to the demolition of the structures. The contractor intends to recycle the concrete for use off-site. The specifications encourage that materials be recycled and require a recycling report at the end of the project. The project will be completed by May 31, 2013. This project will be funded from TIF funds associated with the Grandview TIF District.
