**Subject:** Resolution No. 2014-33 Amending Hours Of Sale – Edina Liquor Stores

**Action Requested:**

Adopt Resolution No. 2014-33.

**Information / Background:**

Edina Liquor staff would like the City Council to consider the proposed resolution changing the hours of operation that Edina Liquor can be open. Currently Edina Liquor is allowed to be open from 9am to 8pm Monday through Thursday and 9am to 10pm Friday and Saturday. About four years ago Hennepin County changed the county statute allowing off-sale liquor stores to be open until 10pm Monday through Saturday. Edina Liquor chose to keep its same hours although many cities around us expanded their hours. As business has changed and competition has increased around us we feel it is the right time to look at expanding our hours. If the Council adopts the resolution authorizing the proposed change, staff's plan is to expand Edina Liquor's hours until 10pm Monday through Saturday at our Southdale location while at the other two locations hours would be expanded until 9pm Monday through Thursday and keeping the 10pm closure on Friday and Saturday. Another reason to expand to our hours of operation until 10pm at Southdale is the apartment complex adjacent to Southdale schedule to open soon.

Staff has spoken to both Kathy Iverson with Edina Chemical Health and with Police Chief Dave Nelson. Both have given their support in making this change. Edina Liquor staff will be able to adjust its hours of operations based on business needs and will keep the City Council informed of changes made.
