**Information**

**Action Requested:**

Motion approving the renewal of On-Sale Wine and 3.2 Beer Licenses to Biryani Inc. dba Biryani at 7078 Amundson Avenue for the period beginning April 2, 2013 and ending March 31, 2014.

**Information / Background:**

In March when the rest of the cities' liquor licenses were renewed, Biryani, Inc. had not completed their renewal application. They have now submitted the necessary renewal paperwork and paid all applicable fees. The licensee understands that they will experience an interruption in their license due to the lateness of the renewal application submission.

All applicable city departments have reviewed the submittals and finds that they comply with code requirements.

The Police Department has completed their investigation. Attached is Sgt. Tim Olson's memo stating the findings of the Police Department's background investigation.

The licenses are placed on the agenda for consideration by the Council.

---

A background check has been completed for Biryani's, 2013-2014 licensing period. The application involved the renewal of a license for; Wine and 3.2 Beer On-Sale.

An unqualified recommendation for approval of this renewal application is warranted.
