Subject: Human Rights and Relations Commission resignation and alternate appointment

Action Requested:

Appoint HRRC alternate, Sarah Rinn, to fill un-scheduled vacancy for a term starting 5/1/15 and ending 3/1/18.

Information / Background:

In March, Human Rights and Relations Commissioner Laura Davis turned in her official resignation effective May 1, 2015. Applicant, Sarah Rinn, was interviewed in January and was selected as an alternate for the HRRC in the case of an un-scheduled vacancy. As determined by City Council, alternates were selected during the appointment process to close the gap on vacant seats for Boards and Commissions. Sarah Rinn is interested in serving upon approval from City Council.

Ladies,

I'll be moving out of Edina on May 1 so, sadly I need to be resign from the commission following the April meeting. I'd like to continue on the working group with Arnie and the others and I suggest that soon we identify another commission member to join/head the group until we're done with this phase of our work.

Thanks very much,

Laura
