General Information:

This is the bid establishing prices for certain materials used in public works and parks projects. The prices are for a period of 12 months (May 1, 2015 to April 30, 2016). The funds for the purchases come from the money allocated to the operating section of the budget (1300, 1500 and 5900 accounts). Prices of previous year are compared where applicable; taken as a whole, prices are comparable to 2014. As noted on attachment, staff recommends acceptance of low bids.
