**Amount of Quote or Bid:**

See attached tabulation

See attached tabulation

**Recommended Quote or Bid:**

Award to companies as listed on attached pages

**General Information:**

This is the bid establishing prices for certain materials used in public works and parks projects. The prices are for a period of 11 months (May 1, 2014 to March 31, 2015). The funds for the purchases come from the money allocated to the operating section of the budget (1300, 1500 and 5900 accounts). Prices of previous year are compared where applicable; taken as a whole, prices are lower than 2013. As noted on attachment, staff recommends acceptance of low bids (Bituminous material bids factor time/mileage).
