Traffic Control Corporation

\$66,000.00

General Information:

The cooperative agreement with Hennepin County accepted by the City Council at the April 1, 2014 City Council meeting requires the City to provide three traffic signal cabinets. Since these cabinets were in the agreement, they were not part of the original bid. The cabinets will be located at 66th, 70th, and 76th Streets along France Avenue and installed by Thomas & Sons as part of the project.

Traffic Control Corporation supplies all the traffic signal cabinets to Hennepin County. The cabinets will be purchased with TIF Funds associated with the France Avenue Intersection Improvement Project.

Staff recommends authorizing the purchase of the cabinets from Traffic Control Corporation.
