General Information:

This is for a replacement vehicle for the Parks Department. Vehicle No. 47-452, is a 2000 HR9016 Jacobsen mower with approximately 5400 hours. It is unreliable and has had over \$23,000 in repairs over the past 5 years. It has outlived its useful life and needs replacement. We looked at the State Contract pricing and the National IPA pricing for the same piece of equipment was \$2,108.29 less expensive.
