Subject: Request for Purchase – Software Database to Migrate Citations to Hennepin County System

Date Bid Opened or Quote Received:

Bid or Expiration Date:

Company:
Sungard

Amount of Quote or Bid:
\$29,240.00

Recommended Quote or Bid:

Sole provider of system operating software/database to work with existing records system.

General Information:

VIBES is the system used to export traffic citations to Hennepin County. Participation in this program is a priority for our department. If we do not interface with VIBES by September of this year we will not be included in the county-wide migration to the new state system. Non-participation at this stage means we will either spend significantly more to migrate to the state system in the future, or discontinue electronic citations and revert to paper.
