08/09/2015

Company:
Blackstone Contractors LLC

Amount of Quote or Bid:
\$44,850.00

Recommended Quote or Bid:
Blackstone Contractors LLC

General Information:

The City of Edina prepared a Feasibility Study and Report on January 21, 2014, that reported that it was recommended that we screen all trash enclosures for a sum of \$60,000.00. We completed \$23,000.00 worth of that work in the P-23 Ramp improvement project.

We put the South Ramp garbage screening out for quotes to 7 contractors. Merit Construction Services, Morcon Construction, Global Specialties, LS black Constructors, RAM Construction, A&M Construction, and Blackstone Contractors LLC. Only Blackstone Contractors LLC responded with a bid for \$42,500.00, Along with an additional \$1,550.00 for a downspout, and \$800.00 for masonry tuck-pointing, for a grand total of \$44,850.00

This represents less than 10 percent increase in the original Feasibility Report Study. The cost of these improvements will be assessed to the property owners this Fall. City Staff recommends approval.
