General Information:

Hennepin County has plans for a mill and overlay along Vernon Ave between TH Highway 62 to 53rd St W for this September / October. Staff has been working with Hennepin County to install dedicated bike lanes along Vernon Ave as part of the mill and overlay project. Hennepin County has determined that dedicated bike lanes will fit between Gleason Rd and 53rd St W, except at Hansen Rd. This project includes widening and constructing a right turn lane along Vernon Ave at the intersection of Hansen Rd to accommodate dedicated bike lanes along Vernon Ave. The City plans on getting this work completed prior to Hennepin County's mill and overlay.

This project will be funded by the Pedestrian and Cyclist Safety (PACS) Fund.
