**Subject:** Ordinance No. 2015-14 Amending City Code Chapter 2 Concerning City Council  
Agenda Order Of Business

**Action Requested:**

Adopt Ordinance including waiver of second reading.

**Information / Background:**

As staff is implementing the new Agenda Content Management system it has become apparent that some minor changes are needed to the City Council Agenda. Edina Code Section 2-50 allows the City Council to modify its order of business, but requires this be completed via a resolution. Staff is recommending that the Code be amended deleting the requirement of changing only by resolution allowing for the necessary adjustments to the agenda.
