Information

Subject: Resolution No. 2014-97 Appointing Election Judges For November 4, 2014 General Election

Action Requested:

Adopt Resolution.

Information / Background:

Minnesota Election Law 204B.21 requires that the governing body of the municipality appoint election judges to administer the polling places at least 25 days before each election. The General Election will be held November 4, 2014 with Absentee Balloting opening September 19, 2014. In order for Absentee Judges to begin their work in a timely manner we must appoint them at this time.

The attached Resolution 2014-97 lists the persons intended to serve Election Judges and Absentee Judges in alphabetical order. We will be placing twelve to fourteen persons in each polling location at the General, plus running an Absentee Ballot Board. In addition, we will train alternates to substitute in case others cannot serve. When assigning the judges to a precinct we must maintain the party balance in each precinct and on our absentee board as required by statutes. I am happy to report that we are once again using high school students as student election judges.

In addition, this year, Hennepin County will be acting on behalf of the City of Edina as a part of our Absentee Ballot Board so they are named in our appointing resolution.

I also ask for the authority to replace or substitute judges as necessary before Election Day.
