Action Requested:

Adopt Resolution 2013-79 Authorizing Issuance, Awarding Sale, Prescribing the Form and Details and Providing for the Payment of \$8,535,000 General Obligation Bonds, Series 2013A and Resolution 2013-80 Authorizing Issuance, Awarding Sale, Prescribing the Form and Details and Providing for the Payment of \$1,125,000 General Obligation Bonds, Series 2013B.

Information / Background:

Attached are the resolutions awarding the sale of bonds as drafted by the City's bond counsel, Dorsey & Whitney. The \$8,535,000 General Obligation Bonds, Series 2013A has two purposes. The first purpose to effect a current refunding of the HRA's Taxable Public Project revenue bonds, Series 2009B (Build America Bonds). The second purpose is the funding of approximately \$2,630,000 in principal to the permanent improvement revolving(PIR) fund to finance the City's street reconstruction projects constructed in 2013 and to be assessed in 2014. The 2009B Bonds were originally issued through the HRA and as such the HRA needs to adopt a resolution to redeem the 2009B Bonds as a separate action within the HRA agenda.

The \$1,125,000 General Obligation Bonds, Series 2013B is to finance the portion of the Braemar Golf Dome improvements project net of insurance payments.

The bids will be received and tabulated by the City's financial advisor, Ehlers & Associates, Inc. on Tuesday, September 17. The bids and Ehlers & Associates analysis will be presented to the City Council at the September 17 Council meeting.

RESOLUTION NO. 2013-79

RESOLUTION AUTHORIZING ISSUANCE, AWARDING
SALE, PRESCRIBING THE FORM AND DETAILS AND
PROVIDING FOR THE PAYMENT OF \$8,535,000 GENERAL
OBLIGATION BONDS, SERIES 2013A

BE IT RESOLVED by the City Council of the City of Edina, Minnesota (the “City”), as follows:

Section 1. Authorization and Sale.

1.01. Authorization of Bonds. Pursuant to Resolution No. 2005-70, adopted on August 16, 2005, the City created a revolving fund as contemplated by Minnesota Statutes, Section 429.091, Subdivision 7a, designated as the Permanent Improvement Revolving Fund, and established certain accounts within such Permanent Improvement Revolving Fund.

On June 18, 2013, this Council held a public hearing on the questions of approving the adoption of amendments to the City’s Capital Improvement Plan (the “Plan”) and issuing general obligation capital improvement plan bonds in the maximum principal amount of \$6,000,000 for the purpose of purchasing the portion of the City’s public works facility currently leased by the City from the Edina Housing and Redevelopment Authority (the “Authority”), which was originally financed with proceeds of the Authority’s \$6,125,000 Taxable Public Project Revenue Bonds, Series 2009B (City of Edina Annual Appropriation Lease Obligations), dated, as originally issued, as of November 24, 2009 (the “Series 2009B Bonds”). No petition requesting a vote on the question of issuing general obligation capital improvement bonds as provided in the Plan has been filed within 30 days following said public hearing, and the Council finds that the general obligation capital improvement bonds may be issued without an election pursuant to Minnesota Statutes, Section 475.521, subdivision 2.

This Council hereby determines that it is in the best interest of the City to issue its \$8,535,000 General Obligation Bonds, Series 2013A (the “Bonds”) for the purpose of (i) financing from the Permanent Improvement Revolving Fund the cost of the construction of various local street improvement projects undertaken by the City pursuant to Minnesota Statutes, Chapter 429 (together, the “Improvements”); and (ii) to acquire from the Authority the portion of the public works facility currently leased by the City from the Authority and to currently refund the Series 2009B Bonds maturing in the years 2014 through 2030 in the aggregate principal amount of \$5,735,000 (the “Refunded Bonds”). The Refunded Bonds will be redeemed on November 1, 2013 (the “Redemption Date”). This Council hereby determines to issue and sell the Bonds to defray the expense incurred and estimated to be incurred by the City in making the Improvements and to refund the Refunded Bonds, including every item of cost of the kinds authorized in Minnesota Statutes, Section 475.65. The portion of the Bonds issued to finance the

Improvements are referred to as the "Improvement Bonds" and are issued pursuant to the Act and Minnesota Statutes, Chapter 429 and Chapter 475, and the portion of the Bonds issued to refund the Refunded Bonds are referred to as the "Refunding Bonds" and are issued pursuant to Minnesota Statutes, Section 475.521 and Chapter 475. The allocation of the Bonds for this purpose is set forth in Section 2.01 hereof.

1.02. Sale of Bonds. The City has retained Ehlers & Associates, Inc., an independent financial advisor, to assist the City in connection with the sale of the Bonds. The Bonds are being sold pursuant to Minnesota Statutes, Section 475.60, Subdivision 2, paragraph (9), without meeting the requirements for public sale under Minnesota Statutes, Section 475.60, Subdivision 1. Pursuant to the Terms and Conditions of Sale for the Bonds, _____ () proposals for the purchase of the Bonds were received at or before the time specified for receipt of proposals. The proposals have been opened and publicly read and considered, and the purchase price, interest rates and true interest cost under the terms of each bid have been determined. The most favorable proposal received is that of _____, of _____, _____, and associates (the "Purchaser"), to purchase the Bonds at a price of \$ _____, the Bonds to bear interest at the rates set forth in Section 2.01. The proposal is hereby accepted, and the Mayor and the City Manager are hereby authorized and directed to execute a contract on the part of the City for the sale of the Bonds with the Purchaser. The good faith checks of the unsuccessful bidders shall be returned forthwith.

1.04. Performance of Requirements. All acts, conditions and things which are required by the Constitution and laws of the State of Minnesota to be done, to exist, to happen and to be performed precedent to and in the valid issuance of the Bonds having been done, existing, having happened and having been performed, it is now necessary for this Council to establish the form and terms of the Bonds, to provide security therefor and to issue the Bonds forthwith.

1.05. Maturities. This Council finds and determines that the maturities of the Improvement Bonds, as set forth in Section 3.01 hereof, are warranted by the anticipated collection of the assessments to be levied for the cost of the Improvements.

Section 2. Bond Terms; Registration; Execution and Delivery.

2.02. Interest Payment Dates. Each Bond shall be dated by the Registrar as of the date of its authentication. The interest on the Bonds shall be payable on February 1 and August 1 in each year, commencing February 1, 2014, to the owner of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.03. Registration. The City shall appoint, and shall maintain, a bond registrar, transfer agent and paying agent (the "Registrar"). The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its principal corporate trust office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer

after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds (except for an exchange upon a partial redemption of a Bond), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, Subdivision 1, as amended.

(j) Valid Obligations. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Resolution as the Bonds surrendered upon such transfer or exchange.

2.04. Appointment of Registrar and Paying Agent. The City hereby appoints U.S. Bank National Association in St. Paul, Minnesota, as the initial Registrar. The Mayor and City Manager are authorized to execute and deliver, on behalf of the City, a contract with U.S. Bank National Association, as Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The City agrees to pay the reasonable and customary charges of the Registrar for the services performed. The City reserves the right to remove any Registrar upon thirty (30) days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar.

2.05. Redemption. Bonds maturing in the years 2014 through 2022 shall not be subject to redemption prior to maturity, but Bonds maturing in the years 2023 through 2030 shall be subject to redemption and prepayment at the option of the City, in whole or in part, in such order as the City shall determine and by lot as to Bonds having the same maturity date, on February 1, 2022 and on any date thereafter (whether or not an interest payment date), at a price equal to the principal amount thereof and accrued interest to the date of redemption.

[Bonds maturing on February 1, 20__ are subject to mandatory redemption, at a redemption price equal to their principal amount plus interest accrued thereon to the redemption date, without premium, on February 1 in each of the years shown below, in an amount equal to the following principal amounts:

<u>Bonds Maturing on February 1, 20__</u>	
<u>Sinking Fund</u>	<u>Aggregate</u>
<u>Payment Date</u>	<u>Principal Amount]</u>

Prior to the date set for redemption of any Bond prior to its stated maturity date, the City Finance Director shall cause notice of the call for redemption thereof to be published as required by law and, not more than sixty (60) and not fewer than thirty (30) days prior to the designated redemption date, shall cause notice of the call to be mailed to the registered holders of any Bonds

to be redeemed at their addresses as they appear on the bond register described in Section 2.03 hereof, but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. The notice of redemption shall specify the redemption date, redemption price, the numbers, interest rates and CUSIP numbers of the Bonds to be redeemed and the place at which the Bonds are to be surrendered for payment, which is the principal office of the Registrar. Official notice of redemption having been given as aforesaid, the Bonds or portions thereof so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions thereof shall cease to bear interest.

Bonds in a denomination larger than \$5,000 may be redeemed in part in any integral multiple of \$5,000. The owner of any Bond redeemed in part shall receive without charge, upon surrender of such Bond to the Registrar, one or more new Bonds of such same series in authorized denominations equal in principal amount to the unredeemed portion of the Bond so surrendered.

2.06. Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the City Finance Director and shall be executed on behalf of the City by the signatures of the Mayor and the City Manager, provided that all signatures may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been so prepared, executed and authenticated, the City Finance Director shall deliver them to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.07. Form of Bonds. The Bonds shall be typed or printed in substantially the following form:

Interest hereon shall be computed on the basis of a 360-day year composed of twelve 30-day months. The interest hereon and, upon presentation and surrender hereof, the principal hereof are payable in lawful money of the United States of America by check or draft by U.S. Bank National Association in St. Paul, Minnesota, as Bond Registrar, Transfer Agent and Paying Agent (the Registrar), or its designated successor under the resolution described herein. The Bonds of this series are issuable only as fully registered Bonds, in denominations of \$5,000 or any multiple thereof, of single maturities.

Bonds of this issue maturing in 2022 and earlier years are payable on their respective stated maturity dates without option of prior payment, but Bonds having stated maturity dates in 2023 and later years are each subject to redemption and prepayment at the option of the City, in whole or in part, and if in part in such order as the City shall determine and by lot as to Bonds maturing on the same date, on February 1, 2022 and any date thereafter (whether or not an interest payment date), at a price equal to the principal amount thereof plus interest accrued to the date of redemption.

[Bonds maturing in the year 20__ shall be subject to mandatory redemption prior to maturity by lot pursuant to the mandatory sinking fund requirements of the Resolution on February 1 in the years and in the principal amounts set forth in the Resolution at a redemption price equal to the stated principal amount thereof to be redeemed plus interest accrued thereon to the redemption date, without premium.]

At least thirty days prior to the date set for redemption of any Bond, notice of the call for redemption will be mailed to the Bond Registrar and to the registered owner of each Bond to be redeemed at his address appearing in the Bond Register, but no defect in or failure to give such mailed notice of redemption shall affect the validity of the proceedings for the redemption of any Bond not affected by such defect or failure. Official notice of redemption having been given as aforesaid, the Bonds or portions of the Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price herein specified and from and after such date (unless the City shall default in the payment of the redemption price) such Bond or portions of Bonds shall cease to bear interest. Upon the partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

As provided in the Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the City at the principal office of the Registrar, by the registered owner hereof in person or by the owner's attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's attorney; and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange the City will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The City and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of

receiving payment and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the City.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Resolution described herein until the Certificate of Authentication hereon shall have been executed by the Registrar by manual signature of one of its authorized representatives.

IN WITNESS WHEREOF, the City of Edina, Hennepin County, Minnesota, by its City Council, has caused this Bond to be executed on its behalf by the manual or facsimile signatures of the Mayor and City Manager, and has caused this Bond to be dated as of the Date of Original Issue set forth above.

2.08. Use of Securities Depository; Book-Entry Only System. The provisions of this
Section shall take precedence over the provisions of Sections 2.01 through 2.07 to the extent they
are inconsistent therewith.

(a) The Depository Trust Company (“DTC”) has agreed to act as securities depository
for the Bonds, and to provide a Book-Entry Only System for registering the ownership interest of
the financial institutions for which it holds the Bonds (the “DTC Participants”), and for
distributing to such DTC Participants such amount of the principal and interest payments on the
Bonds as they are entitled to receive, for redistribution to the beneficial owners of the Bonds as
reflected in their records (the “Beneficial Owners”).

(b) Initially, and so long as DTC or another qualified entity continues to act as securities
depository, the Bonds shall be issued in typewritten form, one for each maturity in a principal
amount equal to the aggregate principal amount of each maturity, shall be registered in the name
of the securities depository or its nominee, shall be subject to the provisions of this Section 2.08,
and no Beneficial Owner shall have the right to receive a certificate of ownership or printed
Bond. While DTC is acting as the securities depository, the Bonds shall be registered in the
name of the DTC’s nominee, CEDE & CO; provided that upon delivery by DTC to the City and
the Registrar of written notice to the effect that DTC has determined to substitute a new nominee
in place of CEDE & CO., the words “CEDE & CO.” in this Resolution shall refer to such new
nominee of DTC.

With respect to Bonds registered in the name of a securities depository or its nominee, the
City and the Registrar shall have no responsibility or obligation to any DTC Participant or

Beneficial Owner with respect to the following: (i) the accuracy of the records of any securities depository or its nominee with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or other person or any other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than DTC, of any amount with respect to the principal of or premium, if any, or interest on the Bonds. The Registrar shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal and interest on the Bonds to the extent of the sum or sums so paid. So long as the Book-Entry Only System is in effect, no person other than DTC shall receive an authenticated Bond.

(c) Upon receipt by the City and the Registrar of written notice from the securities depository to the effect that it is unable or unwilling to discharge its responsibilities under the Book-Entry Only System, the Registrar shall issue, transfer and exchange Bonds of the initial series as requested by the securities depository in appropriate amounts, and whenever the securities depository requests the City and the Registrar to do so, the City and the Registrar shall cooperate with the securities depository in taking appropriate action after reasonable notice (i) to arrange for a substitute depository willing and able, upon reasonable and customary terms, to maintain custody of the Bonds, or (ii) to make available Bonds registered in whatever name or names the Beneficial Owner registering ownership transferring or exchanging such Bonds shall designate, in accordance with clause (f) or clause (g) below, whichever is applicable.

(d) In the event the City determines that it is in the best interests of the Beneficial Owner that they be able to obtain printed Bonds, the City may so notify the securities depository and the Registrar, whereupon the securities depository shall notify the Beneficial Owners of the availability through the securities depository of such printed Bonds. In such event, the City shall cause to be prepared and the Registrar shall issue, transfer and exchange the printed Bonds fully executed and authenticated, as requested by the securities depository in appropriate amounts and, whenever the securities depository requests, the City and the Registrar shall cooperate with the securities depository in taking appropriate action after reasonable notice to make available printed Bonds registered on the Bond Register in whatever name or names the Beneficial Owners entitled to receive Bonds shall designate, in accordance with clause (f) or clause (g) below, whichever is applicable.

(e) Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of a securities depository or its nominee, all payments of principal and interest on the Bond and all notices with respect to the Bond shall be made and given, respectively, to the securities depository.

(f) In the event that the Book-Entry Only System established pursuant to this Section is discontinued, except as provided in clause (g), the Bonds shall be issued through the securities depository to the Beneficial Owners.

(g) In the event of termination of the Book-Entry Only System, the City shall have the right to terminate, and shall take all steps necessary to terminate, all arrangements with the

securities depository described herein, and thereafter shall issue, register ownership of, transfer and exchange all Bonds as provided in Section 2.03. Upon receipt by the securities depository of notice from the City, the securities depository shall take all actions necessary to assist the City and the Registrar in terminating all arrangements for the issuance of documents evidencing ownership interests in the Bonds through the securities depository. Nothing herein shall affect the securities depository's rights under clause (e) above.

Section 3. Use of Proceeds.

3.01. Redemption of Refunded Bonds. All proceeds of the Bonds received from the Purchaser allocated to the Refunding Bonds are irrevocably appropriated to pay and redeem the Refunded Bonds on the Redemption Date. The City Finance Director is hereby authorized and directed to take all actions necessary to redeem the Refunded Bonds on the Redemption Date.

3.02. General Obligation Bonds, Permanent Improvement Revolving Fund Series 2013A Improvement Construction Fund. The City hereby establishes as a special subaccount in the Construction Fund of the Permanent Improvement Revolving Fund the Permanent Improvement Revolving Fund Series 2013 Improvement Construction Fund (the "Series 2013 Improvement Construction Fund") as a separate bookkeeping account on its books and records. There shall be deposited into the Series 2013 Improvement Construction Fund, when and as received, the proceeds of the sale of the Bonds allocated to the Improvement Bonds. There shall be established a separate account within the Series 2013 Improvement Construction Fund to record expenditures for each Improvement. The moneys in the Series 2013 Improvement Construction Fund will be disbursed by the City, in accordance with this Resolution and the City's normal procedures, to pay (or reimburse the City for) the costs of the Improvements, including also the issuance costs of the Improvement Bonds pursuant to Section 8 hereof. At such time as the Improvements are completed the City shall transfer any remaining balance in the Series 2013 Improvement Construction Fund as provided in Resolution No. 2005-70.

Section 4. Bond Funds. So long as any of the Improvement Bonds are outstanding and any principal of or interest thereon unpaid, the City shall maintain a separate debt service fund on its official books and records to be known as the General Obligation Permanent Improvement Revolving Fund Bonds, Series 2013 Bond Fund (the "Improvement Bond Fund") within the Debt Service Account of the Permanent Improvement Revolving Fund (the "Improvement Debt Service Account"), and the principal of and interest on the Improvement Bonds shall be payable from the Improvement Bond Fund. The City irrevocably appropriates to the Improvement Bond Fund (a) all moneys transferred with respect to the Improvement Bonds from other accounts within the Permanent Improvement Revolving Fund to the Improvement Debt Service Account in accordance with this Resolution; and (b) all other moneys as shall be appropriated by the City Council to the Improvement Bond Fund from time to time. On the business day preceding each date on which principal of or interest on the Improvement Bonds are to be paid by the City in accordance with this Resolution, the City Finance Director shall, without further direction by the Council, transfer from the Improvement Debt Service Account in the Permanent Improvement Revolving Fund to the Improvement Bond Fund an amount sufficient to pay such principal and interest. If the aggregate balance in the Improvement Bond Fund is at any time insufficient to pay all interest and principal then due on all Improvement Bonds payable therefrom, the payment

shall be made from any fund of the City which is available for that purpose, subject to reimbursement from the Permanent Improvement Revolving Fund when the balance therein is sufficient, and the City Council covenants and agrees that it will each year levy a sufficient amount of ad valorem taxes to take care of any accumulated or anticipated deficiency, which levy is not subject to any constitutional or statutory limitation.

The Refunding Bonds shall be payable from a separate General Obligation Capital Improvement Plan Bonds, Series 2013A Bond Fund (the "Refunding Bond Fund") which the City agrees to maintain until the Refunding Bonds have been paid in full. If the moneys in the Refunding Bond Fund should at any time be insufficient to pay principal and interest due on the Refunding Bonds, such amounts shall be paid from other moneys on hand in other funds of the City, which other funds shall be reimbursed therefor when sufficient moneys become available in the Refunding Bond Fund. The moneys on hand in the Refunding Bond Fund from time to time shall be used only to pay the principal of and interest on the Refunding Bonds. Into the Refunding Bond Fund shall be paid: (a) all taxes collected pursuant to Section 5.02 for the payment of the Refunding Bonds; and (b) any other funds appropriated by the Council for the payment of the Refunding Bonds.

Section 5. Security Provisions.

5.01. Levy of Special Assessments. For the payment of the cost of the Improvements and the project refinanced by the Refunding Bonds the City has or will levy special assessments against all assessable lots, tracts and parcels of land benefited thereby and located within the area proposed to be assessed therefor, based upon the benefits received by each such lot, tract or parcel, in an aggregate principal amount not less than twenty percent (20%) of the cost of the improvements. The City hereby covenants and agrees that for payment of the cost of the Improvements and of the project refinanced by the Refunding Bonds it will do and perform all acts and things necessary for the full and valid levy of special assessments against all assessable lots, tracts and parcels of land benefited thereby and located within the area proposed to be assessed therefor, based upon the benefits received by each such lot, tract or parcel, in an aggregate principal amount not less than twenty percent (20%) of the cost of the Improvements and of the project refinanced by the Refunding Bonds. In the event that any such assessment shall be at any time held invalid with respect to any lot, piece or parcel of land, due to any error, defect or irregularity in any action or proceeding taken or to be taken by the City or this Council or any of the City's officers or employees, either in the making of such assessment or in the performance of any condition precedent thereto, the City and this Council hereby covenant and agree that they will forthwith do all such further acts and take all such further proceedings as may be required by law to make such assessments a valid and binding lien upon such property.

5.02. Ad Valorem Taxes. The full faith and credit and taxing powers of the City are irrevocably pledged for the prompt and full payment of the principal of and interest in the Bonds as the same become respectively due. In order to produce aggregate amounts not less than 5% in excess of the amounts needed to meet when due the principal and interest payments on the Refunding Bonds, ad valorem taxes are hereby levied on all taxable property in the City, the taxes to be levied and collected in the following years and amounts:

Levy Years

Collection Years

Amount

SEE ATTACHED SCHEDULE

This tax shall be irrevocable as long as any of the Refunding Bonds are outstanding and unpaid; provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61.

5.03. Full Faith and Credit Pledged. The full faith and credit of the City are irrevocably pledged for the prompt and full payment of the principal of and the interest on the Bonds, and the Improvement Bonds shall be payable from the Improvement Bond Fund and the Refunding Bonds shall be payable from the Refunding Bond Fund in accordance with the provisions and covenants contained in this Resolution. It is estimated that the special assessments levied and to be levied for the payment of the Improvements will be collected in amounts not less than five percent (5%) in excess of the annual principal and interest requirements of the Bonds.

Section 6. Defeasance. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this Resolution to the holders of the Bonds shall cease. The City may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Registrar on or before that date an amount equal to the principal, interest and redemption premium, if any, which are then due, provided that notice of such redemption has been duly given as provided herein. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal, interest and redemption premiums to become due thereon to maturity or said redemption date.

Section 7. County Auditor Registration, Certification of Proceedings, Investment of Money, Arbitrage and Official Statement.

7.01. County Auditor Registration. The City Clerk is hereby authorized and directed to file a certified copy of this Resolution with the County Auditor of Hennepin County, together with such other information as the County Auditor shall require, and to obtain from said County Auditor a certificate that the Bonds have been entered on his bond register as required by law.

7.02. Certification of Proceedings. The officers of the City and the County Auditor of Hennepin County are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel to the City, certified copies of all proceedings and

records of the City, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

7.03. Covenant. The City covenants and agrees with the registered owners of the Bonds, that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the "Code") and Regulations promulgated thereunder (the "Regulations") as are enacted or promulgated and in effect on the date of issuance of the Bonds, and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations. The facilities financed by the Bonds shall at all times during the term of the Bonds be owned and maintained by the City and the City shall not enter into any lease, use agreement, management agreement, capacity agreement or other agreement or contract with any nongovernmental person relating to the use of the facilities financed by the Bonds, or security for the payment of the Bonds which might cause the Bonds to be considered "private activity bonds" or "private loan bonds" pursuant to Section 141 of the Code.

7.04. Arbitrage Certification. The Mayor and the City Manager, being the officers of the City charged with the responsibility for issuing the Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the Purchaser a certification in accordance with the provisions of Section 148 of the Code, and the Regulations, stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be arbitrage bonds within the meaning of the Code and Regulations.

7.05. Arbitrage Rebate. The City shall take such actions as are required to comply with the arbitrage rebate requirements of paragraphs (2) and (3) of Section 148(f) of the Code.

7.06. Interest Disallowance. The City hereby designates the Bonds as "qualified tax-exempt obligations" for purpose of Section 265(b) of the Code relating to the disallowance of interest expenses for financial institutions. The City represents that in calendar year 2013 it does not reasonable expect to issue tax-exempt obligations which are not private activity bonds (not treating qualified 501(c)(3) bonds under Section 145 of the Code as private activity bonds for purposes of this representation) in an amount in excess of \$10,000,000.

7.08. Official Statement. The Official Statement relating to the Bonds, dated September __, 2013, prepared and distributed on behalf of the City by Ehlers and Associates, Inc., is hereby approved. Ehlers and Associates, Inc. is hereby authorized on behalf of the City to prepare and distribute to the Purchaser a supplement to the Official Statement listing the offering price, the interest rates, other information relating to the Bonds required to be included in the Official Statement by Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934. Within seven business days from the date hereof, the City shall deliver to the Purchaser a reasonable number of copies of the Official Statement

and such supplement. The officers of the City are hereby authorized and directed to execute such certificates as may be appropriate concerning the accuracy, completeness and sufficiency of the Official Statement.

7.09. Reimbursement. The City certifies that the proceeds of the Bonds will not be used by the City to reimburse itself for any expenditure with respect to the financed facilities which the City paid or will have paid more than 60 days prior to the issuance of the Bonds unless, with respect to such prior expenditures, the City shall have made a declaration of official intent which complies with the provisions of Section 1.150-2 of the Regulations, provided that a declaration of official intent shall not be required (i) with respect to certain de minimis expenditures, if any, with respect to the financed facilities meeting the requirements of Section 1.150-2(f)(1) of the Regulations, or (ii) with respect to “preliminary expenditures” for the financed facilities as defined in Section 1.150-2(f)(2) of the Regulations, including engineering or architectural expenses and similar preparatory expenses, which in the aggregate do not exceed 20% of the “issue price” of the Bonds.

Section 8. Continuing Disclosure.

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the “Rule”), which will enhance the marketability of the Bonds, the City hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the Outstanding Bonds (as hereinafter defined). The City is the only “obligated person” in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made.

If the City fails to comply with any provisions of this Section 8, any person aggrieved thereby, including the Owners of any Outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this Section 8, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this Section 8 constitute a default under the Bonds or under any other provision of this Resolution.

As used in this Section 8, “Owner” or “Bondowner” means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any “Beneficial Owner” (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, “Beneficial Owner” means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds

through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes. As used herein, "Outstanding " means when used with reference to Bonds means all Bonds which have been issued and authenticated by the Registrar except (i) Bonds which have been paid in full (ii) Bonds which have been cancelled by the Registrar or surrendered to the Registrar for cancellation and (iii) Bonds which have been discharged as provided in Section 6 hereof.

(b) Information To Be Disclosed. The City will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the City, the following information at the following times:

(1) on or before 365 days after the end of each fiscal year of the City, commencing with the fiscal year ending December 31, 2013 the following financial information and operating data in respect of the City (the "Disclosure Information"):

(B) To the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type set forth below, which information may be unaudited, but is to be certified as to accuracy and completeness in all material respects by the fiscal officer of the City, to the best of his or her knowledge, which certification may be based on the reliability of information obtained from governmental or other third party sources:

Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to each of the repositories hereinafter referred to under subsection (b) or the SEC.

If the document incorporated by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The City shall clearly identify in the Disclosure Information each document so incorporated by reference.

If any part of the Disclosure Information can no longer be generated because the operations of the City have materially changed or been discontinued, such Disclosure Information need no longer be provided if the City includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other City operations in respect of which data is not included in the Disclosure Information and the City determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) of this subsection (b)), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations.

If the Disclosure Information is changed or this Section 8 is amended as permitted by this paragraph (1) or subsection (d), then the City shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

(N) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

(3) In a timely manner, notice of the occurrence of any of the following events or conditions:

(A) the failure of the City to provide the Disclosure Information required under paragraph (1) of this subsection (b) at the time specified thereunder;

(B) the amendment or supplementing of this Section 8 pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the City under paragraph (2) of subsection (d);

(C) the termination of the obligations of the City under this Section 8 pursuant to subsection (d);

(D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and

(d) Term; Amendments; Interpretation.

(1) The covenants of the City in this Section 8 shall remain in effect so long as any Bonds are Outstanding. Notwithstanding the preceding sentence, however, the obligations of the City under this Section 8 shall terminate and be without further effect as of any date on which the

City delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the City to comply with the requirements of this Section 8 will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

(2) This Section 8 (and the form and requirements of the Disclosure Information) may be amended or supplemented by the City from time to time, without notice to (except as provided in paragraph (3) of subsection (b)) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the City accompanied by an opinion of Bond Counsel, who may rely on certificates of the City and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the City or the type of operations conducted by the City, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this Section 8 as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the City agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

(3) This Section 8 is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

The proposals have been opened and publicly read and considered, and the purchase price, interest rates and true interest cost under the terms of each bid have been determined. The most favorable proposal received is that of _____, of _____, _____, and associates (the "Purchaser"), to purchase the Bonds at a price of \$_____, the Bonds to bear interest at the rates set forth in Section 2.01. The proposal is hereby accepted, and the Mayor and the City Manager are hereby authorized and directed to execute a contract on the part of the City for the sale of the Bonds with the Purchaser. The good faith checks of the unsuccessful bidders shall be returned forthwith.

1.04. Performance of Requirements. All acts, conditions and things which are required by the Constitution and laws of the State of Minnesota to be done, to exist, to happen and to be performed precedent to and in the valid issuance of the Bonds having been done, existing, having happened and having been performed, it is now necessary for this Council to establish the form and terms of the Bonds, to provide security therefor and to issue the Bonds forthwith.

2021	70,000		2029	90,000	
2022	75,000				

The Bonds shall be issuable only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof, shall be payable by check or draft issued by the Registrar for the Bonds appointed herein.

2.02. Interest Payment Dates. Each Bond shall be dated by the Registrar as of the date of its authentication. The interest on the Bonds shall be payable on February 1 and August 1 in each year, commencing August 1, 2014, to the owner of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.03. Registration. The City shall appoint, and shall maintain, a bond registrar, transfer agent and paying agent (the "Registrar"). The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its principal corporate trust office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds (except for an exchange upon a partial redemption of a Bond), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, Subdivision 1, as amended.

(j) Valid Obligations. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Resolution as the Bonds surrendered upon such transfer or exchange.

2.04. Appointment of Registrar and Paying Agent. The City hereby appoints U.S. Bank National Association in St. Paul, Minnesota, as the initial Registrar. The Mayor and City Manager are authorized to execute and deliver, on behalf of the City, a contract with U.S. Bank National Association, as Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The City agrees to pay the reasonable and customary charges of the Registrar for the services performed. The City reserves the right to remove any Registrar upon thirty (30) days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar.

2.05. Redemption. Bonds maturing in the years 2015 through 2022 shall not be subject to redemption prior to maturity, but Bonds maturing in the years 2023 through 2029 shall be subject to redemption and prepayment at the option of the City, in whole or in part, in such order as the City shall determine and by lot as to Bonds having the same maturity date, on February 1, 2022 and on any date thereafter (whether or not an interest payment date), at a price equal to the principal amount thereof and accrued interest to the date of redemption.

[Bonds maturing on February 1, 20__ are subject to mandatory redemption, at a redemption price equal to their principal amount plus interest accrued thereon to the redemption

date, without premium, on February 1 in each of the years shown below, in an amount equal to the following principal amounts:

<u>Bonds Maturing on February 1, 20</u>	
<u>Sinking Fund</u>	<u>Aggregate</u>
<u>Payment Date</u>	<u>Principal Amount]</u>

Prior to the date set for redemption of any Bond prior to its stated maturity date, the City Finance Director shall cause notice of the call for redemption thereof to be published as required by law and, not more than sixty (60) and not fewer than thirty (30) days prior to the designated redemption date, shall cause notice of the call to be mailed to the registered holders of any Bonds to be redeemed at their addresses as they appear on the bond register described in Section 2.03 hereof, but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. The notice of redemption shall specify the redemption date, redemption price, the numbers, interest rates and CUSIP numbers of the Bonds to be redeemed and the place at which the Bonds are to be surrendered for payment, which is the principal office of the Registrar. Official notice of redemption having been given as aforesaid, the Bonds or portions thereof so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions thereof shall cease to bear interest.

Bonds in a denomination larger than \$5,000 may be redeemed in part in any integral multiple of \$5,000. The owner of any Bond redeemed in part shall receive without charge, upon surrender of such Bond to the Registrar, one or more new Bonds of such same series in authorized denominations equal in principal amount to the unredeemed portion of the Bond so surrendered.

2.06. Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the City Finance Director and shall be executed on behalf of the City by the signatures of the Mayor and the City Manager, provided that all signatures may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been so prepared,

executed and authenticated, the City Finance Director shall deliver them to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.07. Form of Bonds. The Bonds shall be typed or printed in substantially the following form:

This Bond is one of an issue in the aggregate principal amount of \$1,125,000, all of like date and tenor, except as to maturity date, interest rate, and denomination issued pursuant to a resolution adopted by the City Council on September 17, 2013 (the "Resolution"), for the purpose of financing improvements to the City's golf course, and is issued pursuant to and in full conformity with the provisions of the Constitution and laws of the State of Minnesota thereunto enabling, including Minnesota Laws 1961, Chapter 655, and Minnesota Statutes, Chapter 475. The Bonds of this series are issuable only as fully registered Bonds, in denominations of \$5,000 or any multiple thereof, of single maturities.

Bonds of this issue maturing in 2022 and earlier years are payable on their respective stated maturity dates without option of prior payment, but Bonds having stated maturity dates in 2023 and later years are each subject to redemption and prepayment at the option of the City, in whole or in part, and if in part in such order as the City shall determine and by lot as to Bonds maturing on the same date, on February 1, 2022 and any date thereafter (whether or not an interest payment date), at a price equal to the principal amount thereof plus interest accrued to the date of redemption.

[Bonds maturing in the year 20__ shall be subject to mandatory redemption prior to maturity by lot pursuant to the mandatory sinking fund requirements of the Resolution on February 1 in the years and in the principal amounts set forth in the Resolution at a redemption price equal to the stated principal amount thereof to be redeemed plus interest accrued thereon to the redemption date, without premium. Notice of redemption shall be given as provided in the following paragraph.]

As provided in the Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the City at the principal office of the Registrar, by the registered owner hereof in person or by the owner's attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's attorney; and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange the City will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The City and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this

Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the City.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to exist, to happen and to be performed preliminary to and in the issuance of this Bond in order to make it a valid and binding general obligation of the City in accordance with its terms, have been done, do exist, have happened and have been performed as so required; that, by the Resolution the City has pledged to the payment of the principal of and interest on the Bonds the net revenues of the City's golf courses, swimming pool, ice arena and liquor stores as shall be required to pay such principal and interest and on a parity with the pledge of such net revenues to the payment of other outstanding bonds of the City; that if necessary for payment of the principal and interest, ad valorem taxes are required to be levied upon all taxable property in the City, without limitation as to rate or amount; and that the issuance of this Bond does not cause the indebtedness of the City to exceed any constitutional or statutory limitation of indebtedness.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Resolution described herein until the Certificate of Authentication hereon shall have been executed by the Registrar by manual signature of one of its authorized representatives.

[End of Bond Form.]

2.08. Use of Securities Depository; Book-Entry Only System. The provisions of this Section shall take precedence over the provisions of Sections 2.01 through 2.07 to the extent they are inconsistent therewith.

(a) The Depository Trust Company (“DTC”) has agreed to act as securities depository for the Bonds, and to provide a Book-Entry Only System for registering the ownership interest of the financial institutions for which it holds the Bonds (the “DTC Participants”), and for distributing to such DTC Participants such amount of the principal and interest payments on the Bonds as they are entitled to receive, for redistribution to the beneficial owners of the Bonds as reflected in their records (the “Beneficial Owners”).

(b) Initially, and so long as DTC or another qualified entity continues to act as securities depository, the Bonds shall be issued in typewritten form, one for each maturity in a principal amount equal to the aggregate principal amount of each maturity, shall be registered in the name of the securities depository or its nominee, shall be subject to the provisions of this Section 2.08, and no Beneficial Owner shall have the right to receive a certificate of ownership or printed Bond. While DTC is acting as the securities depository, the Bonds shall be registered in the name of the DTC’s nominee, CEDE & CO; provided that upon delivery by DTC to the City and the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of CEDE & CO., the words “CEDE & CO.” in this Order shall refer to such new nominee of DTC.

With respect to Bonds registered in the name of a securities depository or its nominee, the City and the Registrar shall have no responsibility or obligation to any DTC Participant or Beneficial Owner with respect to the following: (i) the accuracy of the records of any securities depository or its nominee with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or other person or any other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than DTC, of any amount with respect to the principal of or premium, if any, or interest on the Bonds. The Registrar shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the City’s obligations with respect to the principal and interest on the Bonds to the extent of the sum or sums so paid. So long as the Book-Entry Only System is in effect, no person other than DTC shall receive an authenticated Bond.

(c) Upon receipt by the City and the Registrar of written notice from the securities depository to the effect that it is unable or unwilling to discharge its responsibilities under the Book-Entry Only System, the Registrar shall issue, transfer and exchange Bonds of the initial

series as requested by the securities depository in appropriate amounts, and whenever the securities depository requests the City and the Registrar to do so, the City and the Registrar shall cooperate with the securities depository in taking appropriate action after reasonable notice (i) to arrange for a substitute depository willing and able, upon reasonable and customary terms, to maintain custody of the Bonds, or (ii) to make available Bonds registered in whatever name or names the Beneficial Owner registering ownership transferring or exchanging such Bonds shall designate, in accordance with clause (f) or clause (g) below, whichever is applicable.

(d) In the event the City determines that it is in the best interests of the Beneficial Owner that they be able to obtain printed Bonds, the City may so notify the securities depository and the Registrar, whereupon the securities depository shall notify the Beneficial Owners of the availability through the securities depository of such printed Bonds. In such event, the City shall cause to be prepared and the Registrar shall issue, transfer and exchange the printed Bonds fully executed and authenticated, as requested by the securities depository in appropriate amounts and, whenever the securities depository requests, the City and the Registrar shall cooperate with the securities depository in taking appropriate action after reasonable notice to make available printed Bonds registered on the Bond Register in whatever name or names the Beneficial Owners entitled to receive Bonds shall designate, in accordance with clause (f) or clause (g) below, whichever is applicable.

(e) Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of a securities depository or its nominee, all payments of principal and interest on the Bond and all notices with respect to the Bond shall be made and given, respectively, to the securities depository.

(f) In the event that the Book-Entry Only System established pursuant to this Section is discontinued, except as provided in clause (g), the Bonds shall be issued through the securities depository to the Beneficial Owners.

(g) In the event of termination of the Book-Entry Only System, the City shall have the right to terminate, and shall take all steps necessary to terminate, all arrangements with the securities depository described herein, and thereafter shall issue, register ownership of, transfer and exchange all Bonds as provided in Section 2.03. Upon receipt by the securities depository of notice from the City, the securities depository shall take all actions necessary to assist the City and the Registrar in terminating all arrangements for the issuance of documents evidencing ownership interests in the Bonds through the securities depository. Nothing herein shall affect the securities depository's rights under clause (e) above.

Section 3. 2013B General Obligation Bonds Construction Fund. Proceeds of the Bonds shall be deposited in a separate Series 2013B General Obligation Bonds Bond Construction Fund (the "Construction Fund") which shall be created and maintained on the books of the City as a separate account. The Construction Fund shall be used solely to defray expenses of the Project and of costs of issuance of the Bonds. Upon completion and payment of all costs of the Project, any amounts remaining in the Construction Fund shall be credited and paid to the Bond Fund created pursuant to Section 4 hereof.

Section 4. Bond Fund.

4.01. 2013B General Obligation Bonds Bond Fund. The Bonds shall be payable from a separate General Obligation Bonds, Series 2013B Bond Fund (the "Bond Fund"), which the City agrees to maintain until the Bonds have been paid in full. If the moneys in the Bond Fund should at any time be insufficient to pay principal and interest due on the Bonds, such amounts shall be paid from other moneys on hand in other funds of the City, which other funds shall be reimbursed therefor when sufficient moneys become available in the Bond Fund. There shall be credited to the Bond Fund the following:

(a) All collections of any taxes levied for the payment of the principal of or interest on the Bonds, and all other money which may at any time be received for or appropriated to the payment of the principal of or interest on the Bonds, including the Net Revenues herein pledged and appropriated to the Bond Fund.

(b) The sum of \$_____ from Net Revenues, which amount shall be credited to a separate subaccount in the Bond Fund as a reserve for the Bonds as required by the Act, and which amounts equal the average annual amount of principal and interest to become due on the Bonds and is required to be deposited therein pursuant to the Act.

(c) Any other funds appropriated by the City for the payment of the Bonds.

4.02. Pledge of Net Revenues. The Net Revenues are hereby irrevocably pledged and appropriated to the payment of the Bonds and interest thereon when due and the maintenance of the reserve account required by the Act. The pledge of the Net Revenues to the payment of the Bonds and maintenance of the reserve account is on a parity with the pledge of the Net Revenues to the payment of the Outstanding Recreational Facilities Bonds. Nothing herein shall preclude the City from hereafter making further pledges and appropriations of the Net Revenues for payment of additional obligations of the City hereafter authorized if the Council determines before the authorization of such additional obligations that the estimated Net Revenues will be sufficient, together with any other sources pledged to the payment of the Bonds, the Outstanding Recreational Facilities Bonds and additional obligations, for payment of the Bonds, the Outstanding Recreational Facilities Bonds and such additional obligations. Such further pledges and appropriations of Net Revenues may be made superior or subordinate to, or on a parity with, the pledge and appropriation herein made.

Section 5. Pledge of Taxing Powers. For the prompt and full payment of the principal of and interest on the Bonds as such payments respectively become due, the full faith, credit and unlimited taxing powers of the City shall be and are hereby irrevocably pledged. It is, however, presently estimated that the funds appropriated pursuant to Section 4 hereof will provide sums not less than 5% in excess of principal and interest on the Bonds when due, and therefore no tax levy is presently required.

Section 6. Defeasance. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this Resolution to the holders of the Bonds shall cease. The City may discharge its obligations with respect to any Bonds which are

due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Registrar on or before that date an amount equal to the principal, interest and redemption premium, if any, which are then due, provided that notice of such redemption has been duly given as provided herein. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal, interest and redemption premiums to become due thereon to maturity or said redemption date.

Section 7. County Auditor Registration, Certification of Proceedings, Investment of Money, Arbitrage and Official Statement.

7.01. County Auditor Registration. The City Clerk is hereby authorized and directed to file a certified copy of this Resolution with the County Auditor of Hennepin County, together with such other information as the County Auditor shall require, and to obtain from said County Auditor a certificate that the Bonds have been entered on his bond register as required by law.

7.02. Certification of Proceedings. The officers of the City and the County Auditor of Hennepin County are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel to the City, certified copies of all proceedings and records of the City, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

7.03. Covenant. The City covenants and agrees with the registered owners of the Bonds, that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the "Code") and Regulations promulgated thereunder (the "Regulations") as are enacted or promulgated and in effect on the date of issuance of the Bonds, and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations. The facilities financed by the Bonds shall at all times during the term of the Bonds be owned and maintained by the City and the City shall not enter into any lease, use agreement, management agreement, capacity agreement or other agreement or contract with any nongovernmental person relating to the use of the facilities financed by the Bonds, or security for the payment of the Bonds which might cause the Bonds to be considered "private activity bonds" or "private loan bonds" pursuant to Section 141 of the Code.

7.04. Arbitrage Certification. The Mayor and the City Manager, being the officers of the City charged with the responsibility for issuing the Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the Purchaser a certification in accordance with the provisions of Section 148 of the Code, and the Regulations, stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be arbitrage bonds within the meaning of the Code and Regulations.

7.05. Arbitrage Rebate. The City shall take such actions as are required to comply with the arbitrage rebate requirements of paragraphs (2) and (3) of Section 148(f) of the Code.

7.06. Interest Disallowance. The City hereby designates the Bonds as “qualified tax-exempt obligations” for purpose of Section 265(b) of the Code relating to the disallowance of interest expenses for financial institutions. The City represents that in calendar year 2013 it does not reasonable expect to issue tax-exempt obligations which are not private activity bonds (not treating qualified 501(c)(3) bonds under Section 145 of the Code as private activity bonds for purposes of this representation) in an amount in excess of \$10,000,000.

7.07. Official Statement. The Official Statement relating to the Bonds, dated September __, 2013, prepared and distributed on behalf of the City by Ehlers and Associates, Inc., is hereby approved. Section 8. Continuing Disclosure.

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the “Rule”), which will enhance the marketability of the Bonds, the City hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the Outstanding Bonds (as hereinafter defined). The City is the only “obligated person” in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made.

If the City fails to comply with any provisions of this Section 8, any person aggrieved thereby, including the Owners of any Outstanding Bonds, may take whatever action at law or in

equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this Section 8, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this Section 8 constitute a default under the Bonds or under any other provision of this Resolution.

As used in this Section 8, "Owner" or "Bondowner" means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any "Beneficial Owner" (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, "Beneficial Owner" means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes. As used herein, "Outstanding" means when used with reference to Bonds means all Bonds which have been issued and authenticated by the Registrar except (i) Bonds which have been paid in full (ii) Bonds which have been cancelled by the Registrar or surrendered to the Registrar for cancellation and (iii) Bonds which have been discharged as provided in Section 6 hereof.

If the document incorporated by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The City shall clearly identify in the Disclosure Information each document so incorporated by reference.

If any part of the Disclosure Information can no longer be generated because the operations of the City have materially changed or been discontinued, such Disclosure Information need no longer be provided if the City includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other City operations in respect of which data is not included in the Disclosure Information and the City determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) of this subsection (b)), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations.

If the Disclosure Information is changed or this Section 8 is amended as permitted by this paragraph (1) or subsection (d), then the City shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

(2) This Section 8 (and the form and requirements of the Disclosure Information) may be amended or supplemented by the City from time to time, without notice to (except as provided in paragraph (3) of subsection (b)) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the City accompanied by an opinion of Bond Counsel, who may rely on certificates of the City and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the City or the type of operations conducted by the City, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this Section 8 as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.
