## **General Information:**

This is a replacement vehicle for 25-446, a 1998 MT5 Trackless Sidewalk Snow Plow that has significant wear and should be replaced. The life of a commercial sidewalk plow is 10 years and 25-446 is 16 years old. This unit is unreliable and in need of replacement.

The amount of the quote above reflects a \$20,000 trade in value for the replacement vehicle along with the necessary attachments to operate efficiently.
