### **Action Requested:**

Motion approving the 2014 Council meeting dates and the draft calendar of Board and Commission meetings

### **Information / Background:**

Edina's regularly scheduled meetings are held on the first and third Tuesday of each month. Each year the City Council confirms their annual schedule noting changes necessitated due to conflicts with holidays, days of religious observance or Election Day.

During 2014, staff is suggesting that the following five City Council meetings be moved:

- February Move the first meeting to Monday, February 3<sup>rd</sup> to avoid Precinct Caucus Night which is February 4<sup>th</sup>.
- April Move the second meeting to Tuesday, April 22 to avoid Passover April 16-18 and Good Friday April 18<sup>th</sup>,
- August: Move to Monday, August 4<sup>th</sup> to avoid "Night To Unite" August 5<sup>th</sup>
- November Move to Monday, November 3<sup>rd</sup> to avoid Election Day November 4<sup>th</sup>

The attached calendar also shows with black hash marks all of the days of religious observance that we will avoid hosting any meeting or special event. Typical holidays have been highlighted in yellow. This calendar will be published for use by staff and the public.
