To the Mayor and City Council:

The persons who have signed this petition ask the City Council to consider the improvements listed above to the locations listed below.

Indianola Avenue between W 50<sup>th</sup> Street and W 52<sup>nd</sup> Street  
 LOCATION OF IMPROVEMENT BY STREET NAME

Juanita Avenue between Indianola Avenue and W 52<sup>nd</sup> Street  
 LOCATION OF IMPROVEMENT BY STREET NAME

W 51<sup>st</sup> Street between Arden Avenue and Halifax Avenue  
 LOCATION OF IMPROVEMENT BY STREET NAME

- By all accounts, the existing 30 foot streets have served the residents and balanced the needs of motorists, bicyclists, and pedestrians in ways that promote safety and convenience, enhance community identity, and provide meaningful opportunities for active living and better health since their original construction in 1941 and 1942.
- We don't believe narrowing the streets and restricting parking to one side promotes safety or enhances community identity.
- We are concerned that limiting parking to one side of the street will create an environment for faster speeds as motorists will only have to contend with parked cars on one side of the street instead of having to navigate through parked cars on both sides of the street.
- **We hereby ask you to reject any recommendation to narrow these streets and/or restrict parking and respectfully ask you to vote to reconstruct these streets to their current widths of approximately 30 feet.**

**IMPORTANT NOTE: THE PERSONS WHO HAVE SIGNED THIS PETITION UNDERSTAND THAT THE CITY COUNCIL MAY ASSESS THE COSTS OF THESE IMPROVEMENTS AGAINST THE PROPERTIES BENEFITING FROM THE IMPROVEMENTS IN REASONABLE AMOUNTS DETERMINED BY THE COUNCIL AS AUTHORIZED BY CHAPTER 429, MINNESOTA STATUTES.**
