**Subject:** Resolution No. 2013-121 Approving Ambulance & Miscellaneous Fire Fees For 2014

**Action Requested:**

Approve Resolution 2013-121 Approving Ambulance & Miscellaneous Fire Fees for 2014.

**Information / Background:**

Attached is Resolution 2013-121 Approving Ambulance & Miscellaneous Fire Fees for 2014.

The ambulance fees as presented by the Fire Department are proposed to change the BLS service level charge to make it the same amount as the ALS-I charge. The rationale for this change is:

- There isn't a significant cost difference for the Fire Department to treat and transport a BLS vs ALS-I patient.
- This is in line with the fee structure that Burnsville and Woodbury are using.
- The Fire Department only bills approximately 20 people per year at the BLS rate.

The fees that are proposed to change from 2013 to 2014 are in **bold**.
