	2. Flagship Recreation	2. \$104,000.00
RECOMMENDED QUOTE OR BID:		
Global Specialty Contractors, Inc. \$98,770.00		
GENERAL INFORMATION:		
<p>This is for purchase and installation of a Themed Surf Feature to serve as an attractive themed backdrop in the shape of three Pirate Ships for the Edina Aquatic Center's new Flowrider amenity. On March 13, 2012, bids were opened for this Themed Surf Feature. There were four different companies that purchased plans and specifications and staff contacted a fifth qualified local company that also has experience building similar structures. Only two companies chose to bid the project; however, we feel that Global Specialty Contractors has submitted a competitive bid and is partnered with a very qualified firm in Theme Design.</p> <p>There is \$1,200,000 budgeted for this CIP project previously approved by Council (\$600,000 for 2011 and another \$600,000 for 2012). With this purchase, the total project costs are:</p>		
Pool basin & site construction	\$412,700.00	
Flowrider surf equipment	\$608,430.00	
Themed surf feature	\$98,770.00	
Engineering services	\$15,400.00	
Construction management	<u>\$15,500.00</u>	
TOTAL PROJECT COST	\$1,150,800.00	
<p>There are still Excel Energy costs forthcoming for two new transformers plus some additional lighting requirements, a dumpster and miscellaneous expenses that we anticipate will all be completed within the \$1.2 million budget. If approved by Council, this themed surf feature will be built and installed by May 11, 2012.</p>
