Palda & Sons, Inc.		\$ 2,275,770.53
GENERAL INFORMATION:		
<p>This project is for street and utility improvements in the Countryside Neighborhood. The project includes reconstructing the existing roadways, installing concrete curb and gutter, sanitary sewers repairs, watermain and water service replacements, and upgrading the storm sewer system. The project was ordered by the Edina City Council at the January 3, 2012 Public Hearing. This project will be funded by special assessments and respective utility funds. The Feasibility Study project cost estimate was \$2,833,725; staff anticipates a reduction in assessments, but will not have that data available until after the project is completed. Staff recommends awarding the project to Palda & Sons, Inc.</p>
