RECOMMENDED QUOTE OR BID: Frank J. Zamboni & Company, Inc.		
GENERAL INFORMATION: On Wednesday, January 11, 2012 at 11:00 a.m., bids were opened for the purchase of a new electric powered ice resurfacer machine for Braemar Arena. The specifications called for bids to include a credit for trade-in of a 1996 Zamboni Model 552 electric powered ice resurfacer machine. Only one bid was received and opened. The base bid before trade-in credit from Frank J. Zamboni & Company, Inc. was \$116,157.21 for a new electric powered Zamboni Model 552 ice resurfacer. The credit for the trade-in was \$15,000.00 which leaves a balance of \$101,157.21 plus 6.875% for Minnesota State sales tax. The total bid price with sales tax is \$108,111.77. The bid includes purchase and delivery of the new Zamboni Model 552 ice resurfacer and an 80 volt output microprocessor controlled charger. The new ice resurfacer includes a manufacturer's warranty that states: “Zamboni warrants all parts and materials manufactured by Zamboni and installed on the ice resurfacer to be free from defects in material and workmanship under normal use for a period of two (2) years or 2,000 hours, whichever comes first, (1 year parts and labor, 1 year parts replacement only) following shipment from our factory to the original user. All parts purchased by Zamboni and installed on the ice resurfacer will carry the guarantee of their manufacturer.” This purchase was budgeted under the Braemar Arena 2012 Equipment Replacement Budget at \$140,000. If approved by Council, the company will begin manufacturing the unit which is anticipated to be built and delivered between seven and nine months.
