Promenade Improvements, Phase II

Temporary Water Shut Off:

As a part of the ongoing construction of the York Avenue Bridges, a temporary water main shutoff is planned for Thursday, July 30, beginning at 9:00 a.m. Water service to the YMCA, Edina Place Condominiums and the Edina Fire Station will be affected as a part of this work. Property owners should expect interruption of water service from 9:00 a.m. until 6:00 p.m. As soon as conditions permit, water service will be restored during the day.

Thank you for your patience during this temporary inconvenience. The City and contractor will take every possible measure to minimize the shutdown period.

Whom to Contact with Questions or Concerns:

For general questions please contact the Project Manager, Greg Brown with URS at (612) 370-0700 or by email Greg_Brown@URSCorp.com. For onsite construction questions please contact Linda Battey, the construction observer with URS, at (612) 490-6241.

During a life or property-threatening emergency, call 911. If construction equipment or materials need to be moved as part of dealing with the emergency, 911 have a list of emergency contacts for Lunda Construction.

Thank you for your cooperation during this project.

Jesse Struve, PE
Utility Engineer
