SD 2773 Facilities Advisory Task Force

Edina Public Schools ISD 273 has convened an ad hoc Task Force to provide input on a potential 2015 Bond Referendum.

The FATF will focus on both, short- (1 to 3 years) and long-term facility needs (8 to 10 years) to educate the students. The possibility of a new transportation facility to replace the aging bus garage at 5220 Eden Avenue is also part of the discussion.

This group meets on Tuesday evenings, Aug. 6 to Sept. 30. More information about the Task Force can be found [here](#).
