

Countryside H Neighborhood Roadway Reconstruction

April 30, 2015

Dear Resident:

City Extra Emails – the best way to be in the know!

Roadway reconstruction is scheduled to begin soon in your neighborhood and City Extra emails will be the best way for us to keep you informed of the construction schedule and work items that directly affect you such as driveway access, water shutoffs, etc. Please sign up for this service by going to our website, www.edinamn.gov, click on 'For Residents,' and then 'City Extra.'

Below is what the City Extra page looks like. Follow the directions to sign up. Under Engineering Projects, select Countryside H Reconstruction by checkmarking the box. Scroll to the bottom and check the box that reads "I Agree to THE MINNESOTA DATA PRACTICES ACT" and click 'Submit.' You will then be signed up to receive all emails that are sent out for this project. Emails before construction begins will be sporadic; after construction begins, weekly updates will typically be sent on Fridays.

Do not have access to email? Let Engineering Specialist Sharon Allison know at 952-826-0449, and she will mail you a copy of the weekly updates.

The screenshot shows the 'City Extra' sign-up page on the City of Edina website. The page features a navigation menu at the top with options like 'About Edina', 'City Offices', 'City Government', 'News & Publications', 'Parks & Places', 'Blogs', 'Resources', and 'Calendar'. A sidebar on the left lists various city services and departments. The main content area is titled 'City Extra' and contains the following text:
