Valley View Road Reconstruction Project

Dear Resident:

Construction to Begin

Construction activities are scheduled to begin on Monday, May 11. The contractor will begin with placing a 36-inch storm sewer trunk line on Sally Lane, between Valley View Road and south of Paiute Pass. Sally Lane or Valley View Road will be impassable at time. Please expect delays. The contractor will place signs to help residents navigate through the project area.

Clearing of Trees

The contractor may be on-site beginning May 1 to start removing trees near the southern portion of the project area.

Special Events or Access Needs

Please call me if you have any special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

Traffic Control

Traffic control will be in place. A portable message board will be changed to assist in directing traffic through the construction zone.

Who to contact with Questions or Concerns

Please call me at 763-287-7149 or emails me at aplowman@wsbeng.com to discuss any concerns or questions you might have regarding the project. You can also contact the project inspector, Kris Kemp at 612-214-2855

For more information on this project, visit www.EdinaMN.gov/valleyviewroad. Please encourage your neighbors to sign us for City Extra as this will be our primary means of communication throughout the project at www.EdinaMN.gov/cityextra.

Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are often fascinated with construction equipment, so please keep them away from the construction area. Expect delays and travel safely through the construction zone.

Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
