Dear Resident:

As with any project that impact properties, residents have concerns. I've addressed majority of your concerns directly, but there are still differing information circulating about the project. A few of your neighbors suggested that we host another neighborhood meeting to review the project. Please plan to attend the meeting on:

When: January 7, 7:00 p.m.

Where: Public Works and Park Maintenance Facility
7450 Metro Boulevard
Multi-Purpose Room

For those of you who have verbally granted a temporary construction easement, we would like to take advantage of this meeting to get them signed and notarized.

If you are unable to attend the meeting but have concerns that have not been addressed yet, please contact me at 952-826-0318 or cmillner@EdinaMN.gov to discuss them.

Sincerely,

Chad Millner, P.E.
