

Tracy Avenue, Valley Lane and Valley View Road Intersection Modification

March 9, 2015

Dear Resident:

You may recall the City has been working with the Three Rivers Park District for many years on the Nine Mile Creek Regional Trail through Edina. On Jul. 15, 2014, and Feb. 3, 2015, the City Council approved the final trail alignment and a trail way cooperative agreement.

The trail will cross Tracy Avenue at Valley Lane and Valley View Road and getting pedestrians and bikers across safely is a priority! Residents have also reported traffic concerns at this intersection. Staff would like your feedback on how this intersection could be modified to make it safe for all users.

Please plan to attend a meeting on **Mar. 23, 5:00 – 6:30 p.m.**, at the Public Works and Park Maintenance Facility, 7450 Metro Boulevard. Staff will have a preliminary concept design to share with you. Your feedback is important to us!

Funding would be from Three Rivers Park District and City of Edina funds. Special assessment to residents will not be used to fund this project.

If you have any questions, please contact me at 952-826-0318 or cmillner@EdinaMN.gov.

Sincerely,

Chad A. Millner, PE
Director of Engineering
