## **Tracy Avenue Reconstruction Project**

Dear Resident:

### **Stage 1 and 2**

The contractor was delayed due to storms and delays on other projects. They are finishing up all remaining utility work after which, they will begin grading the roadway. This will be followed by concrete curb and gutter and bituminous paving.

### **Access to Colonial Way**

Residents and visitors of The Waters and Colonial Church are encouraged to utilize the posted detour and accessing Colonial Way via Olinger Boulevard or Olinger Road, instead of driving through the stage 1 area. This will help ensure the safety of workers as well as the travelling public.

### **Detour**

A posted detour will be in place to route through traffic around the construction area and use Highway 62, Gleason Road and Vernon Avenue. The contractor will maintain local access as much as possible. There may be times when certain segments of the roadway are impassable.
