## **Tracy Avenue Reconstruction**

Dear Resident:

### **Stage I**

The contractor is placing storm sewer pipe and structures and will continue through next week. Once the utilities are placed, they will begin preparation of the subgrade and curb and gutter placement.

### **Access to Colonial Way**

Residents and visitors of The Waters and Colonial Church are encouraged to utilize the posted detour and accessing Colonial Way via Olinger Boulevard or Olinger Road, instead of driving through Stage I construction area. This will help ensure the safety of workers as well as the travelling public.

### **Detour**

A posted detour will be in place to route thru traffic around the construction area and using Highway 62, Gleason Road and Vernon Avenue. The contractor will maintain local access as much as possible. There may be times when certain segments of the roadway are impassable.

### **Communications:**

- Have questions or comments regarding this project? Call me at 763-287-7149 or [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com) or project inspector Kevin Overby at 612-360-1308.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at [www.EdinaMN.gov/tracyavenue](http://www.EdinaMN.gov/tracyavenue).

### **Safety**

Safety is our number one concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

Sincerely,

Andrew Plowman, PE  
Project Manager  
WSB & Associates, Inc.
