Tracy Avenue Reconstruction Project

Dear Resident:

Stage I

The contractor is currently performing utility work between Valley View Road and Olinger Boulevard along Tracy Avenue. This work includes replacement of degraded sanitary sewer pipe, replacement of water services and the addition of catch basins for storm sewer. They will continue work on the utility items for the next couple weeks.

Detour

A posted detour will be in place to route through traffic around the construction area and use Highway 62, Gleason Road and Vernon Avenue. The contractor will maintain local access as much as possible. There may be times when certain segments of the roadway are impassable.

Communications

- Have questions or comments regarding this project? Call me at 763-287-7149 or aplowman@wsbeng.com or project inspector Kevin Overby at 612-360-1308.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/tracyavenue.

Safety

Safety is our number one concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
