Normandale Park D
Neighborhood Roadway Reconstruction

Dear Resident:

This letter is to inform you that your neighborhood roadway reconstruction project has been pushed back one year from 2017 to 2018 because of budget constraints in the utility fund. An unexpected project had to be completed this fall which caused staff to re-evaluate future projects in order to rebalance the utility fund.

Next year you will be invited to an open house similar to the one held on Sept. 28 which will include project areas for 2017 and 2018.

If you missed the Sept. 28 meeting the presentation will be available on our website at www.EdinaMN.gov/FutureProjects.

If you have any questions, please contact me at 952-826-0443 or cschulze@EdinaMN.gov or the Engineering Department at 952-826-0371.

Sincerely,

Carter Schulze, PE
Assistant City Engineer
