

## Sidewalk Information Meeting West 42<sup>nd</sup> Street (Grimes Ave to Edina City Limits)

November 1, 2013

Dear Resident:

Please plan to attend an informal morning meeting to discuss sidewalks on West 42<sup>nd</sup> Street on Tuesday, November 12, at the Weber Field Park warming house located at 4115 Grimes Avenue South. Stop by any time between 7:00-9:00 a.m. to provide input. No formal presentation will be made during this time.

We have heard a desire from residents and the City Council to construct a sidewalk on West 42<sup>nd</sup> Street west of Grimes Avenue to the Edina city limits. We have also heard some concerns about the location of the sidewalk, particularly north side versus south side.

We are currently preparing a study to determine the feasibility of a sidewalk on either the north side or south side of the street. The previous sidewalk meeting focused on the installation of the sidewalk on the north side.

We are inviting you to share any information or concerns with us regarding this project.

Please recall that sidewalks are no longer special assessed and are now funded by the Pedestrian Cyclist and Safety (PACS) Fund.

If you have any questions, please contact me at 952-826-0322 or [mnolan@EdinaMN.gov](mailto:mnolan@EdinaMN.gov).

Sincerely,

Mark K. Nolan, AICP  
Transportation Planner
