

54th Street Roadway Reconstruction

April 7, 2015

Dear Resident:

You may recall that the 54th Street project is being done with the Arden Park D Neighborhood Roadway Reconstruction project. Arden Park D is scheduled to begin construction on April 13; we do not have a start date for 54th Street. As soon as we do we will let you know.

During roadway reconstruction, it is not unusual for residents to become concerned that their property could be damaged when they hear sounds or feel vibration associated with heavy construction equipment. This is not typical; however, if you have concerns, you can hire a company to do a pre-construction survey of your property. The survey would document existing conditions prior to construction in the event a claim is filed. A survey typically costs approximately \$500 and would be at your cost. Please contact Jeff Carlson, Project Works, 763-753-4129; or, Jay Houser, Loss Protection, 651-688-0151, if you have concerns.

SEH's Joe Clement will be the City's on-site representative for this project. You can contact Joe at 952-912-2614 or jclement@sehinc.com.

The City of Edina and Northwest Asphalt thank you in advance for your patience and cooperation throughout the project!

Sincerely,

A handwritten signature in black ink that reads "Chad A. Millner".

Chad A. Millner, PE
Director of Engineering
