Arden Park D Neighborhood Roadway Improvements

Dear Resident:

Project Schedule: Stage I

Remember, on-street parking will not be allowed in areas where crews are actively working.

Next week, crews will reconstruct water and sewer service pipes on Arden Avenue, Bruce Avenue, Bruce Place and possibly Juanita Avenue. They will also install the water main on Bruce Avenue. The day before work will occur in front of your house, you will receive a door hanger requesting that you move any vehicles you will need the next day out of your driveway by 7 a.m. The door hanger will direct you to where you can temporarily park your vehicle.

Please put your garbage and/or recycling out prior to 7 a.m. as haulers are trying to complete their rounds before construction work begins for the day.

On Arden Avenue, work may progress far enough that the contractor will begin grading the gravel and preparing the street for the concrete curb and gutter.

All schedules are weather-dependent and are subject to change.

Communications

Please contact me at 612-255-4030 or mhorn@sehinc.com with any questions or concerns. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/arden_park_d.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information. The City of Edina and Northwest Asphalt Inc. thank you for your patience and cooperation throughout the project.

Sincerely,

Mike Horn
City of Edina On-site Representative
