Arden Park D Neighborhood Street Reconstruction

Dear Resident:

The contractor is working on the final few punch list items from last construction season.

Turf establishment continues to be coming along slowly in some areas. The City continues to monitor and review all unacceptable areas with the contractor. Mid-summer is too hot to put new seed down and expect good germination, thus areas that require re-seeding will be done in late August or early September.

In the meantime, please water the seeded areas to ensure the best chance of grass survival. In addition please mow the seeded areas that are taller than 2”.

The City will mail a letter in the next few weeks detailing a plan for turf establishment in all unacceptable areas.

Communications

Please contact me at 612-255-4030 or mhorn@sehinc.com with any questions or concerns.

Sincerely,
Mike Horn
City of Edina On-site Representative
