Birchcrest B Neighborhood Roadway Improvements

Dear Resident:

Construction is set to begin next week!

On Monday, crews will begin bringing in equipment for the project. On-street parking during reconstruction will not be allowed on streets where crews are working – those streets will be posted with “No Parking” starting today, Friday, but will not be in effect until Monday. This will keep the streets open for construction traffic and emergency vehicles. Please inform your private contractors and guests of this parking restriction.

On Tuesday and Wednesday, crews will work to lower manholes on Rolf Avenue, Roberts Place, 62nd Street, Wilryan Avenue and Valley View Road.

On Thursday and Friday, crews will begin removing the old pavement from the streets listed above. The process is to grind the pavement to produce a gravel product that will be used as a gravel base for the new road. Crews will follow the grinding machine to shape and compact the gravel in place. The street will remain open, but there may be brief, isolated closures. Please use caution when driving through these areas.

Please begin to routinely check your front door for time-sensitive notices for water shut-offs, driveway access, etc.

All schedules are weather-dependent and are subject to change.

Please contact me if you have any questions or comments regarding this project. You can reach me at 952-826-0448 or dnorthenscold@EdinaMN.gov. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/birchcrestb.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Derek Northenscold
Engineering Technician
