Birchcrest B Neighborhood Roadway Improvements

Dear Resident:

Project Schedule

Remember, on-street parking during reconstruction is not allowed in areas where crews are working.

Last week, crews completed sub-cutting the road, which involves removing about 1 to 2 feet of soil unsuitable for the new roadway, and replacing it with a more suitable fill. This is done in preparation for road base installation along Wilryan Avenue, 62nd Street, Rolf Avenue and Roberts Place.

Next week, crews will begin sub-cutting Valley View Road. Crews will also begin the process of building the layers below the asphalt in preparation for paving. They will also begin installing curbs and gutters, driveway aprons and completing installation and upgrades to the storm sewer system.

Remember to routinely check your front door for time sensitive notices. All schedules are weather-dependent and are subject to change.

Communications

Please contact me if you have any questions or comments regarding this project. You can reach me at 952-826-0448 or dnorthenscold@EdinaMN.gov. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/BirchcrestBB.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Derek Northenscold
Engineering Technician
