## **Countryside H Neighborhood Roadway Improvements**

Dear Resident:

### **Project Schedule:**

#### **Phase 1** (includes Olinger Circle, Sun Road, and Amy Drive)

- Restoration is still on-going; reseeding will occur in certain areas as needed.

#### **Phase 2** (includes Arbour Avenue, Stuart Avenue, Benton Avenue, and Grove Street east of Arbour Avenue)

- Restoration is still on-going; reseeding will occur in certain areas as needed.

#### **Phase 3** (includes Merold Drive, Wycliffe Road, and Grove Street west of Arbour Avenue)

- Restoration crews have been in the area repairing sprinkler systems and dog fences that were damaged during construction. If yours has not been repaired, please e-mail me.
- Starting on Oct. 20, the contractor will start lining the sanitary sewer. You will notice a cloud of steam from the work area and you may smell an odor similar to that in a hair salon or auto body shop while the pipes are being worked on. The smell comes from the hot water or steam being used to cure a resin on the newly installed pipe in the sewer main. This is normal.
- The equipment used for the lining process makes it difficult for vehicles to pass by the work zone on the streets; therefore, we ask all residents to not park on either side of the road while crews are working. Please use caution when driving past the work zones. You will know the process is complete and the connections re-established when you don't see any more work on your street by the end of the day.

Remember to routinely check your front door for time sensitive notices. All schedules are weather dependent and are subject to change.

### **Communications:**

Please contact me if you have any questions or comments regarding this project. You can reach me at 952-826-0444 or [mmohamed@EdinaMN.gov](mailto:mmohamed@EdinaMN.gov). For more information about emergencies, non-emergencies and site safety, or what to do when you have special events or home improvement projects planned, visit [www.EdinaMN.gov/countryside\\_h](http://www.EdinaMN.gov/countryside_h).

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit [www.EdinaMN.gov/CityExtra](http://www.EdinaMN.gov/CityExtra) for more information.

The City of Edina and Northwest Asphalt thank you in advance for your patience and cooperation throughout the project.

Regards,  
Mohamed Mohamed  
Engineering Technician
